NARRATOR:

Jesus has been very busy moving with His disciples from town to town, teaching and healing people. One day Jesus decided to move on by boarding a boat....

JESUS: Let's go over to the other side of the lake.

NARRATOR:

They all got aboard, the anchor was weighed, sail was set and off they went. Jesus was tired so He made Himself comfortable on a cushion and was soon fast asleep. Suddenly a storm broke and the boat was filling with water. While Jesus was fast asleep His disciples were worried about the danger they were in.

DISCIPLES: Master, Master, we're going to sink and drown!

NARRATOR: Jesus stood up and shouted at the storm...

JESUS: Be quiet!

NARRATOR: Immediately the wind stopped, and the water became still.

JESUS: Where is your faith?

NARRATOR: The disciples were afraid and whispered among themselves....

DISCIPLES:

Who is this Man? He commands even the winds and the waters and they obey Him!
